The measurements describe where you have to fold the pages of your book. All measurements are given in cm. With the spine of the book facing towards you, the first number indicates the page within the book, the second tells you where you have to fold the upper corner down, the third tells you where you will have to fold the lower corner up. Further help and guidance can be found in our friendly Facebook group, FREE BOOK FOLDING PATTERNS AND ADVICE PLUS CUSTOM PATTERNS

Cut And Fold - 326 Pages - Bookheight 15 CM

Created using the foldedbookart.co.uk pattern maker.

Leaves	Fold 1	Fold 2	Fold 3	Fold 4	Fold 5	Fold 6	Fold 7	Fold 8	Fold 9	Fold 10	Fold 11	Fold 12	Fold 13	Fold 14
1	6.3	7.1
